ROLLING UP.—It does us good to inform our friends and all who care to know how we are "rolling along," that our subscription list is increasing largely with every issue. Our friends tell us that we are publishing a good paper, and we are beginning to believe it.

Mr. Woody Hall returns from Alabama last week having sent his stock for our press.

Last week, Messrs. J. Layton & Co. purchased of Mr. J. B. Skinner a pair of horses for \$500.

Cows on plug horses are selling at from \$40 to \$75 per head; good work horses from \$100 to \$125.

Robert Owen sold to Senator H. Knox 17 head of three year old smooth cattle, averaging 1,212 lbs. at 6 cents.

FOR THE SOUTH.—Mr. B. Gandy, right left for the Southern market last Monday with forty head of mules.

Shelby county paid, last year, \$32,64 dog tax, and had 1,027 sheep killed by dogs. A little more dog tax would save our mutton.

Don't forget that those bidding lots opposite the Fair Ground will be sold by L. A. Payne next Saturday. The sale will be at the Court House door. This is an unusually good chance to secure valuable bidding lots adjoining town.

Buy your groceries, when in Louisville, from Wheeler & Little. You can rely upon their representations; they sell best quality of goods and at low rates.

Remember the place—No. 39 East Jefferson, between First and Brook.

Geo. N. Robinson, Esq., is announced as a candidate for County Judge. Although a young lawyer, he has succeeded in acquiring a profitable practice, and if elected would do no discredit to the county as Judge of its Court.

Ben. F. Offutt sold to H. C. Melone, 16 yearling cattle at \$575 per hundred, and a lot of 32 head of calves at \$23 50; and bought his 48 head of three year old cattle, weighing about 100 lbs., at \$5 75 per hundred. They are a good lot of feeding cattle.

STOCK SALE.—Mr. John A. Reid's sale of fine stock, it will be remembered, comes off next Tuesday. This is one of the most important sales that we have advertised, and the farmer who neglects to attend it will miss some valuable bargains. Mr. Reid always keeps good stock and will have no other.

FOR THE MUSIC ACADEMY! Have you heard of it? If not, we would advise you to go to Robb & Hope's Drug Store and learn what it is. There is something curious in their show-window, which has been and is still attracting the eyes of our citizens, day after day, even night after night.

Messrs. Robb & Hope are ahead of us all in everything, knowing how to treat their customers right.

Go and pay them a visit.

G. H. Cary is one of the old, reliable Druggists of Louisville, whose reputation for fair dealing has been spread far and wide, by his customers, who are legion. He is one of our advertisers and we commend him to the confidence of those who are unacquainted with his merits, if there are any such.

They mean business in Hardin county. Marriage licenses have been issued to forty couples within the last three months, and it is said that all who are marriageable in the county and have not yet got maters fixed up, are coveting like lighting.

John T. James W. and Joseph Harrington, sons of Mr. Jonathan Harrington, of this county, were arrested last week and taken before Judge Ballard, at Louisville, to answer a charge preferred against them by a negro in their employ who had been "thrashed" by them. The negro claims \$5,000 damages, and criminal proceedings were instituted as above. The defendants were admitted to bail.

MULES.

Mr. Sam Brown, of this county, is selling mules in Georgia.

Mr. W. L. Scott was in Columbus, Ga., last week, where he had sold a portion of his mules.

A lot of Indiana yearling mules were offered in this Market last week, at \$800 per head.

Messrs. Scott & Bell sold to Mr. J. M. Calloway 23 head of mules at \$150 per head.

Mr. B. H. Dale sold to the same party 16 mules, at \$165 per head.

Hoofland's German Tonic is a combination of all the ingredients of the Bitters, with Santa Cruz Rum, orange, anise, &c., making a preparation of rare medical value. The Tonic is used for the same diseases as the Bitters, in cases where some Allopathic Stimulants is necessary. Principal Office, 631 Arch street, Philadelphia, Pa. Sold everywhere by Druggists and others.

A citizen of Pendleton asks for the text of the 14th Amendment. Here it is:

Article 14, Sec. 1. The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any State, on account of race, color, or previous condition of servitude.

Sec. 2. Congress shall have power to enact a law to enforce this article by appropriate legislation.

Mr. Weeks noted, however, was overruled the other day in the House, and when the bill was voted for, he said, "I am not in a position to speak with regard to this bill, as I have no power who was the mover of the present bill."

The bill of emigration from the southern States of the south to Arkansas and Texas is rapidly augmenting. The fertile and unoccupied areas of the southwest, intersected as they are with navigable rivers, hold irresistible inducements to the farmers and laborers of less fertile States whom the war has impoverished, and whose old system of industry have been broken up.

PIANO FOR SALE.—Will be sold cheap. Apply to B. H. Crapster, Shelbyville Ky.

BILL HEAD.—We have on hand a good stock of Bill Head paper that we are working up at LESS THAN LOUISVILLE PRICES. Give us a call and examine specimens.

LAST.—A victorine sold on Tuesday night, Nov. 30th, somewhere between Wayne's Tin Shop and the Central Hotel. The under will be liberally rewarded by bringing it to me at the Central Hotel.

MRS. KATE FRAZIER

I hereby give notice to all concerned that I will on Saturday the 12th day of February 1870, at the office of Judge J. L. Caldwell in the town of Shelbyville Ky., proceed to settle my accounts as Administrator of the personal estate of John Wood.
